“Serving as the 2007 Chairwoman for the Capital Chapter of PCMA, Emerging Leaders Committee, I had the pleasure to work with the Carriage House staff. From start to finish the staff members we worked with were very responsive, helpful and on top of their game when handling all of our questions and last minute requests for not one, but two different educational events.”

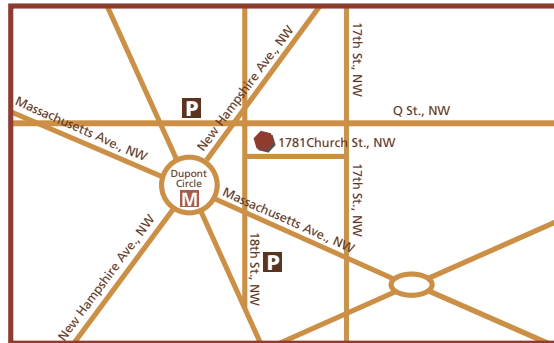

“We found the location to be very accessible for our members to attend and the warmth and comfort of the meeting space very conducive to enhancing our educational event. Both events were a success in large part to the welcoming environment the Carriage House provides.”
