

## MAA OUTREACH POSTER SESSION Call for Abstracts

We are delighted to announce the call for poster submissions for MAA MathFest 2025, which will take place on August 6-9, 2025 at the SAFE Credit Union Sacramento Convention Center: 1401 K Street, Sacramento, CA.

Every summer, MAA MathFest brings an interactive, accessible, and informative program to the mathematical community. The MAA Outreach Poster Session highlights mathematics outreach programs in our communities. If you are involved in an outreach math program or activity, we encourage you to apply to present your program through our Outreach Poster Session on Thursday, August 7, 2025 (date may be subject to change as meeting approaches).

### Why Participate?

- **Visibility:** Showcase your math education outreach projects to MAA Mathfest attendees.
- **Networking:** Connect with colleagues doing similar work in their communities.
- **Feedback:** Receive valuable feedback from the MAA community.
- **Opportunity:** Explore potential collaborations and opportunities.

Abstract Submission Deadline: June 8, 2025

Notification of Acceptance: June 24, 2025

Conference Dates: August 6-9, 2025

### How to Submit:

1. Visit the [conference website](#).
2. Follow the submission guidelines.
3. Upload your abstract.
4. Await confirmation of acceptance.

### Poster Guidelines:

- Standard poster dimensions for this session will be **3 feet wide by 2 feet high (36 inches wide by 24 inches high)**; please note the **NEW DIMENSIONS** from previous years, which are specified to accommodate all posters to corkboard dimensions.
- Corkboards at MAA MathFest will be approximately 8'w x 6'h (with presentation surface of approximately 7.5'w x 4'h)
- **Two posters will be assigned to each corkboard side** (with a total of four posters per corkboard), so please make sure to stay within the standard dimensions
- MAA will provide cork boards and affixing materials with which to pin posters.

- Posters should read from top left to bottom right, as though reading a page.
- Posters should contain a good contrast between the background color and the text color. Consider using a light color background and dark text.
- All text should be readable from a distance of 4-5 feet
- The material on the poster should be well-organized and easy to follow
- Images should be of high enough resolution to print out clearly.
