

**POSTERFEST 2025:
SCHOLARSHIP BY EARLY CAREER MATHEMATICIANS
Call for Abstracts**

We are delighted to announce the call for poster submissions for MAA MathFest 2025, which will take place on August 6-9, 2025 at the SAFE Credit Union Sacramento Convention Center: 1401 K Street, Sacramento, CA.

Every summer, MAA MathFest brings an interactive, accessible, and informative program to the mathematical community. MAA is pleased to announce the return of PosterFest to the program of poster sessions for MAA MathFest 2025. To submit an abstract, go to <https://maa.org/events/maa-mathfest-2025-abstract-submissions/> (direct link to the submission portal can be found at <https://forms.gle/n6rSfxFTLY7Qk8vU6>) and follow the instructions. The deadline for submission of abstracts is June 8, 2025. Early submissions are encouraged.

This poster session and networking event allows early career mathematicians to present and discuss their scholarly activities with senior mathematicians in an informal atmosphere. Nontenured faculty and graduate students are especially encouraged to apply. Examples of scholarly activities suitable for this poster session include expository work, preliminary reports, scholarship of teaching and learning, and research reports. (Undergraduate submissions will not be accepted.)

Early career and graduate students are encouraged to apply! Sponsored by MAA Committee on Early Career Mathematicians.

Organizer:

Lisa Driskell, *Colorado Mesa University*; ldriskel@coloradomesa.edu

Poster Guidelines:

- Standard poster dimensions for this session will be **3 feet wide by 2 feet high (36 inches wide by 24 inches high); please note the NEW DIMENSIONS** from previous years, which are specified to accommodate all posters to corkboard dimensions.
- Corkboards at MAA MathFest will be approximately 8'w x 6'h (with presentation surface of approximately 7.5'w x 4'h)
- **Two posters will be assigned to each corkboard side** (with a total of four posters per corkboard), so please make sure to stay within the standard dimensions
- MAA will provide cork boards and affixing materials with which to pin posters.

- Posters should read from top left to bottom right, as though reading a page.
- Posters should contain a good contrast between the background color and the text color. Consider using a light color background and dark text.
- All text should be readable from a distance of 4-5 feet
- The material on the poster should be well-organized and easy to follow
- Images should be of high enough resolution to print out clearly
