MAA Award for Inclusivity Nomination Form

This award is the Association's recognition of the importance of its core value of Inclusivity to building a healthy and vibrant mathematical community where all are welcome and encouraged to flourish. The MAA Award for Inclusivity will be awarded annually to a person or persons (not a program) who has performed significant, sustained work to broaden access to mathematics. The award may be made based on one or several activities that exemplify inclusivity and embrace and affirm diversity. The contribution should be such as to influence the community and culture of mathematics or mathematical education in a significant and positive way on a national scale or have that potential.

Instructions: Please submit this nomination form with the following supporting documents attached to secretary@maa.org. This form is due by **October 1**. If you have any questions, please contact secretary@maa.org.

Nominee Information:

Full Name of Nominee:
