Yueh-Gin Gung and Dr. Charles Y. Hu Award Nomination Form

This award is the Association's most prestigious one for service. It is to be made for service to mathematics that has been widely recognized as extraordinarily successful. The period of service may be long or short, and the award may be made on the basis of one or several activities. The contribution should be such as to influence the field of mathematics or mathematical education in a significant and positive way on a national scale.

Instructions: Please submit this nomination form with the following supporting documents to secretary@maa.org. This form is due by **October 1**. If you have any questions, please contact secretary@maa.org.
