## OUR MISSION

To advance the understanding of mathematics and its impact on our world.

## OUR AUDIENCE

Our members include university, college, middle, and high school mathematics professors and teachers; graduate and undergraduate students; pure and applied mathematicians; computer scientists; statisticians; and many others in academia, government, business, and industry. We welcome all who are interested in the mathematical sciences.

- More than 28,600 active MAA members
- 300,000 American Mathematics Competitions participants
- 1.1 million in MAA community outreach

### Why advertise with us?

- Our members have a strong relationship with the MAA and rely on its endorsements to support their careers in academia and industry.
- The MAA is the world's largest community of mathematicians, students, and enthusiasts.
- The MAA audience is behind the mathematics that drives innovation in society.
- The primary source of professional development programs for mathematics faculty.
- The number one provider of resources for teaching and learning about math.
- Discounts for frequent advertisers.
